

# Top of the South Health & Safety Innovation Day

**WORKSAFE**  
Mahi Haumaru Aotearoa

Facilitated by the WorkSafe Innovation Team

*If we do the things we have always done, we will see the results we have always seen. It's time to make a change. It's time to innovate.*

Kickstart 2023 with a fresh approach. NZISM Top of the South Branch invites ALL safety interested professionals and business leaders to join them for a day of innovation and learning at the Seifried winery.

In this open workshop, facilitated by key members of the WorkSafe Innovation Team, we will:

- share experiences and problems to build a broader understanding of these problems from more perspectives;
- connect and network with people who have similar problems and issues; and
- find ways to support each other's work and the changes we seek to bring about.

We will do this by focussing on issues that you have raised in recent months, including: Leadership, Wellbeing; Work as Done; and SubContractor H&S Compliance.

Price includes lunch plus morning and afternoon coffee/tea.

Friday

**10**  
**Mar**
